JIA 0040216113	<u>JIA Japan Information Disbursement Association</u>	

FIG. 5

This security bond is issued to a member of JIA.

This certificate is invalid if the stamped date of validity and records do not match.

All rights prescribed according to by-laws of JIA are given.

Based on the by laws of JIA, this certificate may be assigned to a third party.

If there is an invalidation stamp on this certificate, this security bond shall be invalid.

Right of use to information granted by this certificate to a third party may be deposited into trust.
